MEMORANDUM FOR: Director of Security

SUBJECT : P. G. Policy

1. It has been your general policy to polygraph all returnees from overseas if they had not been polygraphed since 1 January 1953.

2. As this policy is now several years old, it is suggested that you may wish to advance the date of repolygraphing for this category to 1 January 1955 from 1 January 1953. The usual review for exceptions will remain in force.
